A day spent on the boat with family, the warm sun on your back, fishing rod at the ready – what could be better?

Of the thousands of charter fishing spots around the globe, a few stand out. Our picks have ideal offshore habitats for big game, along with warm waters gorgeous scenery, and tropical weather.. We've included two of the best charter and guide services in each location to help you plan and book your trip.

Get your line in the water year round in these top fishing destinations:

Top Area Charter: [Mark the Shark's Fishing Charters](#)

"Mark the Shark Hunter and his team are exceptional! This is a great fishing charter for a group of not "all fishermen"! ... Everyone is sure to walk away satisfied! Oh yeah and I probably should mention the fish...I was first up and that King fish was amazing eating! Thanks to the entire crew for catering to us the entire day! We can't wait to come back!" – TripAdvisor review
